

Mission Statement

Our mission is to enhance the independence of our clients by providing a coordinated, flexible, responsive, timely and individualized package of services to enable them to remain living at home, in the community, safely and happily, as an alternative to residential care.

Cost

A small contribution for services is required, that being not more than 17½% of a single Aged Pension. Some clients may be eligible for fee reduction - this is discussed on an individual basis.

Home Care Packages are funded by the Department of Human Services

RADCARE INC

RADCARE is a not-for-profit organization who have provided services since 1996 for elderly people who wish to remain living at home.

Our staff are highly trained, ensuring we provide an open and inclusive rapport with LGBTI clients, whilst providing quality care.

What are Home Care Packages?

RADCARE Inc is accredited by the Aged Care Standards Accreditation Agency. A set of flexible, individual services to assist our clients to remain at home independently.

Clients participate in developing a package which is tailored to their individual needs.

A Case Manager will monitor and review services regularly with clients.

Who is Eligible?

Elderly people who have been assessed for Home Care Packages Level 1-4 by the Aged Care Assessment Team (ACAT).

How Can I be Assessed?

A referral, usually completed by your Doctor, is sent to the Aged Care Assessment Team. They will then determine what level of care you can be approved for.

How can I get a Package?

Once you have been approved through ACAT, contact us at RADCARE and one of our Case Managers will arrange to visit you. They will provide information and discuss how our services will enable you to remain at home.

Information given to RADCARE will remain confidential.
